Pitch Development Fund

Clontarf Football Club has undertaken one of the largest development projects in our history to transform the back pitch into a top class all weather surface for all our members and especially the children in the Youth & Mini Section. The children will use the new pitch each week for training and/or matches.

All our members and parents have contributed to funding the project and we are reaching out to new members to also make a once off contribution of €100 per family. Through your generosity we will be able to continue our development work to make Clontarf FC the leading club in the country for the next generation of rugby players.
