

TRAVELLING WITH MINORS PROCEDURE

It is our intention at Clontarf Rugby to safeguard all minors within our club and to support our coaching team. As such, we require the following steps to be taken ahead of any travel undertaken in the club with any players under the age of 18 years (Age Grade Players) .

This process must be started immediately once a trip has been approved. It applies to both domestic and international travel:

Step One: CWO to be notified in writing of planned trip.

Step Two: CWO to meet with Manager/Coaches involved in the trip to review itinerary.

Step Three: CWO to verify up to date Garda Vetting Status and IRFU Declaration of Intent Status of all adults travelling with the group. CWO to review all IRFU and Club welfare Policies with this group.

Step Four: For any trips involving Overnight stays a Briefing Session is to be held in the club for all minors, parents and coaches attended by CWO.

Step Five: All Communication channels to be approved and monitored.

For additional information or support please contact the CWO Tim Evans on 087 2282228.
